

HELP LOCAL HABITAT

Salem Electric offers a new program to improve local native fish and wildlife habitat.

The Habitat Improvement Program (HIP) allows customers to make automatic monthly contributions through their Salem Electric bill, or make a one-time donation, by contacting Salem Electric (pledges can be canceled at any time).

Contributions will be forwarded to the Salem-Keizer Watershed Councils Association, a 501c3 organization. Donations collected in Polk County will be assigned to habitat improvements in the Glenn-Gibson Creek Watershed and donations from Marion County will fund Claggett Creek projects.

If you have additional questions, please contact our office at 503 362-3601 or by email: se@salemelectric.com. Or, you can sign up today by completing the form below and mailing it to: Salem Electric, PO Box 5588, Salem, OR 97304.

If you would like to sign up for the Habitat Improvement Program, please complete the form and return it to Salem Electric. You can save postage and include it with your electric payment.

✓YES, I want to help restore our local native fish & wildlife habitat.

I pledge the amount shown as my monthly donation with the understanding that my pledge will be itemized each month on my Salem Electric bill. I understand that this is a voluntary program that I may cancel at any time, and that my name & address will only be given to the Salem-Keizer Watershed Councils Association, Inc. for the sole purpose of sending me project information.
